

# Cultural heritage and sustainable tourism thematic group

mercredi 5 juin 2019

## Knowledge Strategy 2010-2015

The Cultural Heritage and Sustainable Tourism Knowledge Strategy was developed to provide a framework for the thematic group's work on integrating cultural heritage and sustainable tourism within the World Bank's development agenda. The Strategy outlines the Bank's achievements in cultural heritage and sustainable tourism in addition to specific priorities, objectives and needs to ensure progress towards this goal.
